1. Tuesday 14th March

Entries for April to be handed in to Garry or Esther. Set subject is Macro (Definitions are on the BCC Website under **Syllabus**)

Also its our first AV (Audio Visual) judging night.

2. Activity Night is on Tuesday 21st March

Something Out Of Left Field

We will meet at the clubrooms briefly at **7:30** on the dot and then head out to Eaglehawk for a Twilight / Night Shoot of the Town Hall, Sunset At The Lake, old buildings, slow shutter speeds of car taillights as they move up the hill and other street scapes.

This should take about an hour. After the shoot we will adjourn to the Bendigo RSL for a free coffee and a sharing of the night's work.

NOTE: The clubrooms will be locked after we leave for Eaglehawk. Don't leave anything at the rooms.

3. A Couple of Points to Ponder About Up Coming Events.

- The committee had put forward a proposal that the club invite a secondary school or college to exhibit their work at our Easter Exhibition. This proposal has been scraped due to time constraints and lack of participants.

Great response to our excursion to Melbourne. There are a few spaces left so put your name down if you wish to attend.

- The committee will be organising a partially funded photographic excursion to Melbourne and environs on the **29th April**. It is envisaged the club hire a bus and driver and that club members pay a nominal fee to take part.
Further information will be on the Website and explained at our meetings.
- Another photo opportunity locally is the "Color Ya World" at Canterbury Park Eaglehawk on the 11th March. Lookit up on the Web. Great "Street Art Opportunities."
