1. Tuesday 9th May

It is time to hand in Prints for next month's judging. The topic is Frame — “whether it's through an actual picture frame, a few stalks of grass, or even the spokes of a bicycle wheel, find an alternative way to frame the world around you.”

Also on the night Mal Brayshaw will present a short tutorial on editing a portrait using Lightroom and Allan Davis is putting together a short AV highlighting our Melbourne Trip.

2. Activity Night is on Tuesday 16h May

Peter Dunphy, a well respected Landscape photographer will be giving a detailed tutorial on the specifics of landscape photography. Peter also runs specialised photography tours which he will explain, hoping that some of our members will join him on one of these tours.
