SATURDAY 9TH DECEMBER: 6:00PM (FOR 6:30 START)

BCC END OF YEAR DINNER 2023

Lakeside Hotel, opposite Lake Weeroona VIC

As a committee, we have researched and discussed venues and in the end, Lakeside Hotel still offered the best deal and venue facilities. Many places add on fees for use of screens etc and their venue hire and meal costs were too high. We received fantastic feedback from members in 2021, however, we do realise in 2022, there was a lack of bar service and some people were not happy with meals. After consultation and feedback to the venue, we will be put back in the original room we had in 2021 where bar service was fantastic and there has also been a change in catering managers, menu and chefs. They have also given us a 50% discount on fees for room hire. Unfortunately, through the year and like many venues, the price per person has gone up \$10. Please remember partners and family are most welcome.

RSVP and payment must be made by 24th November, (\$60 pp) and can be done via 2 methods: 1. Come to next week's activity night and fill in the paper form, or 2. Email Felicity Johnson at fjp.images@gmail.com

We need to know names and dietary requirements please.

Payments: via Direct Deposit to: Bendigo Camera Club, BSB 633000 Acc No. 5613500, Description: EOY (insert your name) or by cash on our meeting nights. Kind regards: Felicity (Flic) Johnson, BCC Secretary

PRESIDENTS MONTHLY MONOLOGUE

My Fellow Members

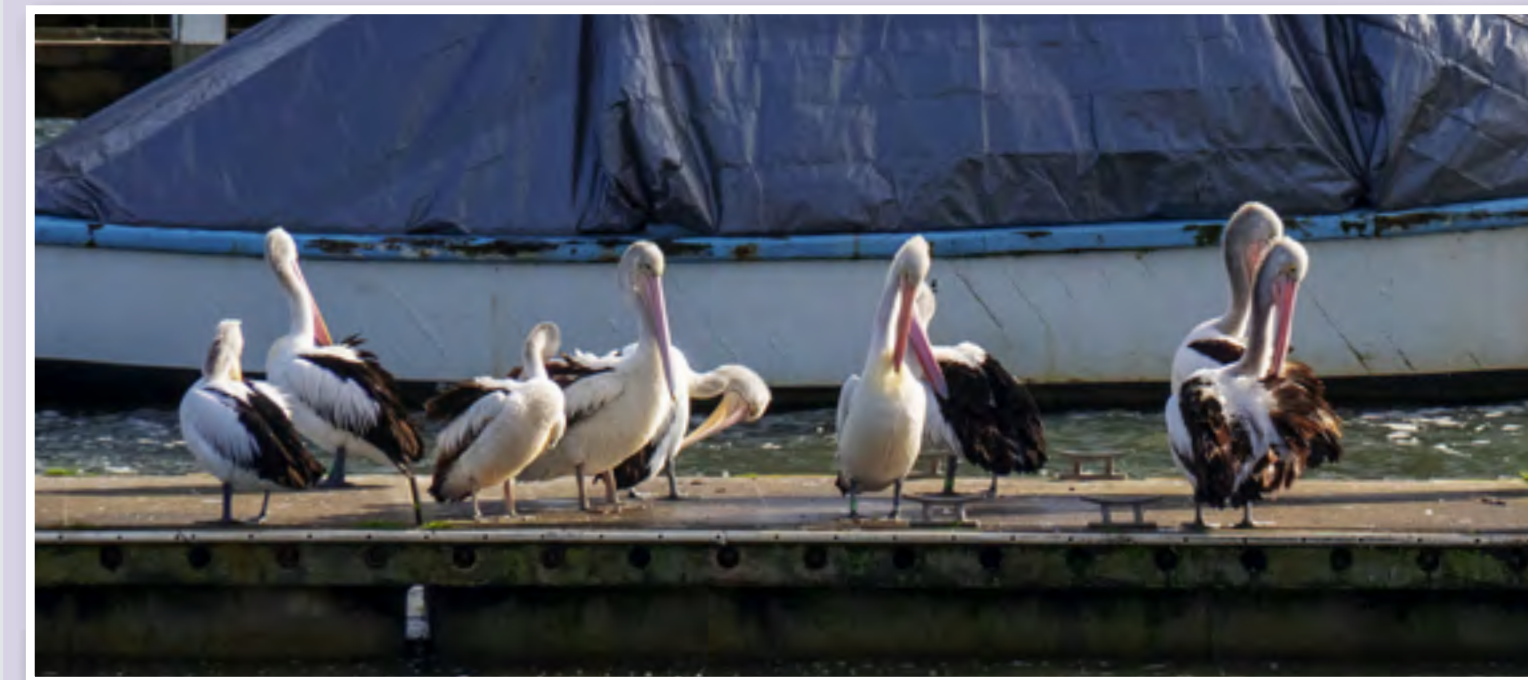

The month of September saw the completion of Quad comp, which I am sure you all would agree was an outstanding event. Once again I say thanks to you all for the hard work and generosity that the whole club has shown. It truly was inspiring to see everyone pull together to make it the success it was.

The judging of our after dark images saw the judge Mark hosted by Jason and his family, at the last moment. If you are able to offer a judge a room for a night at time during the year it would be very much appreciated. Our judges travel such a long way to come and share their thoughts on our images. Yes we do pay them but such a small amount that these days would only cover petrol. Having a nice friendly place to stay is the least, I think we as a club can do.

Congratulations to Brian Bird on his winning image of the night.

We also introduced one of the suggestions from the brainstorming night, a soap box. This soap box will be run every Tuesday night. It is an informal way that an individual can present their photographic journey and / or aspirations to the club. In the hopes that it can bring people with like minded interests together, so you can learn or share you knowledge with others, or maybe even find a photographic buddy for personal outings. Our activity night this month saw a change of pace. We sat and watched a creatively inspiring video from David duChemin. With mixed reviews about the length of the presentation, most thought it's was interesting.

PHILLIP ISLAND WEEKEND AWAY 2023

Next Month sees some of us opting to go to Phillip Island. For those I will be sending out an email soon with all of the information you will need for Friday, the first afternoon/evenings activities. If you don't receive one and you are going or you have just made the decision, let me know so I can give you the information you will need.

There is still time if you would like to go to Phillip Island.

I am having a few days away on a photographic workshop at Bermagui so I may not see you for the judging night (although I'm hoping to be back in time). Now the warmer weather is here it's time to dust off those cameras and enjoy what is on offer everywhere you look.

Remembrance Day

Various Locations, Bendigo VIC

At 11 am on 11 November 1918 the guns on the Western Front fell silent after more than four years of continuous warfare. The Germans had called for an armistice (suspension of fighting) in order to secure a peace settlement. They accepted allied terms that amounted to unconditional surrender. The 11th hour of the 11th day of the 11th month attained a special significance in the post-war years. The moment when hostilities ceased on the Western Front became universally associated with the remembrance of those who had died in the war. This first modern world conflict had brought about the mobilisation of over 70 million people and left between 9 and 13 million dead, perhaps as many as one-third of them with no known grave. The allied nations chose this day and time for the commemoration of their war dead.

Newsworthy - Melbourne 1933 - 1936

East Melbourne Library - 122 George St, East Melbourne VIC

View a selection of images documenting Melbourne's social history from the 1930s. In the late 1990s, renowned architectural photographer Ian McKenzie (1938-2014), picked up a collection of 240 glass plate negatives at a market. Believed to be from a Victorian news archive, they dated back to the 1930s. The slides lay dormant in a garage until 2020 when Ian's wife Louise decided it was time to bring them into the light, in what became an exciting journey of discovery and kismet, taking in our photojournalistic history and the astonishing stories of interwar Melbourne. The collection is a rare, fortunate find in Melbourne's social history. Exhibition Open: 10am-6pm Monday - Friday, 10am-1pm Saturdays, Closed Sundays. INTERNATIONAL LANDSCAPE PHOTOGRAPHER of the Year 2023

There are already photography competitions inviting AI generated images, but our competition is not one of them. For us, part of the skill and art of landscape photography is being able to find and capture it yourself, or imagine and create it yourself. The key for this competition is that the landscape photographs are created by you and your inspirations, not software that works independently of you. AI generated images are not permitted because you are not the author of the content. Minor AI retouching is acceptable as long as it is not creating new content. Please see website for info: www.internationallandscapephotographer.com

CLOSING DATE: THURSDAY 30TH NOVEMBER 2023

Life Framer Photo Comp: BLACK & WHITE
